Get away from me !
Please !
I am not a bad girl .
I think you are !
A witch ?
흠칫!!
대낮의 게 날로 대치에 트레쉬닌 뭘이지?
This is laughable
I don't know whether you know March, but breaking into a shop..
And even tampering with goods ...
Ah...
A shop ? Goods ?
Ah !
Um, hon ? Don't run away like that You are making me look like a bad girl.
Please not. I never thought you as a good girl anyway
A witch as a witch for a good reason
Ah, um ... eh..
I have a bad feeling that I ran into a headache...
Phew ~
Everywhere I go ... it simply does not change
This is a misunderstanding, ma'am. A witch ? In this time and age? No, ma'am, no.
Witch this ... Witch that ... !
This was an accident I was going my merry way until I was blown away by gust
So, you, a normal person, was flying and fell Is that what you are trying to imply ?
...!!
Let's make this short and easy. Pay 2 000 000 emons
That's the repair fee. Pay that I will act as if nothing happened
What the freak?! I_I million ₩
I broke few stone statues and 2 million ₩
Sigh.. Witches are witches
They never think about how inconvenient they are to others around them...
Do they not realize why they are being referred as walking disasters ?
I will make it simple. If you don't pay, I will call the pursuers
Control your temper... This is Match...
March may be full of the pursued, but you must also know that there are equal amount of pursuers.
They will have a field day
Damn it !
You ...
Seem to have a problem with witches ..
But you are badly mistaken.
I said -
I am not a witch !
...
...!!
How many times do I need to tell ya.
I am not a witch ! I am.
a magical girl ?
There are only four things in the sky, birds, clouds, love and magical girls !
If you bully innocents, I shall punish you ~
Are we done? me no witch
Hitch ~ Hitch ~

One of witches' characteristics is that you can't have sensible conversations with them...

Okay, the negotiation is over.

I can't believe you chase death over only 2 000 000 simons

Well, the pursuers will pay me more than that, so no loss for me

..!!

There will be a festival after the witch hunt ..

There will be a witch burning at stake ....

!!!

HELP !

What is happening ?!

... Lady little witch!! Where is she ?!

How did the pursuers find us here ... !!

Aaaagh!

도망치세요 빨리 마녀님!!

죽기 싫으면 도망치라니까!!

If you don't want to die, run !!

... No

I do not want to burn to death ... !

싫어!!

NO !!

..!!

It seems ...

You value your life at only 2 million simons ! Because you are going to die today.

There are things You should not say out loud !

So, at last you show your true face.

You do not scare me.

움찔..

Ah... Ahah !!
